Grad: Education Leadership

- UMSL's master's, specialist and doctoral programs are designed for educators who want to make a difference in their schools and in their communities. They're designed for those who want to lead.

Grad: Elementary Math Specialist Certification

- A two-year, online/campus-based, cohort program providing content preparation, school-based internship, and leadership courses leading to Missouri's add-on Elementary Mathematics Specialist certification

Grad: Alternative Certification

- Whether you are in a classroom now and need certification or are thinking about education as a career field, we have accelerated programs that are flexible, experiential, and will prepare you for the classroom.

Grad: TESOL - Teaching English to Speakers of Other Languages

- An 18-hour, online program preparing students to teach English language learners. Includes 18 of the 30 hours required for Missouri's add-on, K-12 ELL teaching certification

Under BSED - Teacher Certification Track

- Become a teacher right now! We offer multiple areas of certification for you to begin an exciting career in education

Under: Advanced Credit Program and Degree in 3

- Earn college credit while in high school! Use those credits to complete your teaching certification degree in 3 years.

Under: Bachelor of Educational Studies - Non-Certification Track

- UMSL's College of Education offers the Bachelor of Educational Studies (the "BES") for students excited about education, but looking for challenges outside the traditional classroom. Wherever education happens outside the classroom, BES graduates will be prepared to be skilled and confident leaders and innovators.

Under: Sports Management

- A 120-hour degree in preparation for a variety of sports related careers, with five industry focus areas and extensive internships.
